

January 21, 2015

Dear Mr. Tomer Levy, SensoGuard Israel,

Per your request, I have detailed some of the specifications relating to the cellular modem used in our HyperFire SC950C camera.

- 3.5G GSM Cellular Modem.
- GSM Quad Band 850, 900, 1800, 1900 MHz.
- UMTS/HSPA Penta Band 850, 900, 1700, 1900, 2100 MHz
- Power Output
  - Class 4 (2W, 33 dBm) @ GSM 850 / 900
  - Class 1 (1W, 30 dBm) @ GSM 1800 / 1900

Please feel free to contact me with any additional questions.

Thank you,

A handwritten signature in black ink, appearing to read "James Ratajczek", with a long horizontal flourish extending to the right.
